

PopUP™ Media Replacement Filter

Honeywell

- No assembly required.
- Filters literally pop-up ready to use.
- Saves space in the warehouse and on the truck.
- Reduces any chance of damage to the filter.
- Installs in seconds saving time and frustration.
- Provides high-efficiency performance (MERV 11).
- Available in 6 sizes that fit Honeywell and other brands.

Even Easier Than 1, 2, 3

We can't even say that PopUP filters are as easy as 1, 2, 3 because they assemble in just one step. Just open the package and – pop – the filter is ready to use.
