## Limited Product Warranty AHBV & AHGV Air Handler Models

### LIMITED FIVE YEAR PARTS WARRANTY

All parts of the AHBV & AHGV Series are warranted to be free from defects for normal single family residential use for five years from the date of purchase by the original consumer for the original installation when installed per Heat Controller, Inc., installation instructions and in accordance with all local, state and national codes.

### LIMITED SEVEN YEAR EXTENDED WARRANTY

The unit is warranted for an additional 7 years (total 12 years). All exceptions apply.

In addition, all parts are warranted for an additional seven years (for a total of 12 years) to the original consumer for the original installation, when the unit is installed with an ARI-matched condensing unit *PROVIDING* the unit is properly registered with Heat Controller within 90 days of the purchase either at [www.heatcontroller.com](http://www.heatcontroller.com) or by mail. Without registration, the Warranty reverts to the **five year** parts warranty described above.

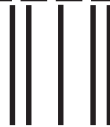

### EXCEPTIONS

The warranty does not cover normal maintenance, labor charges, transportation charges for replacement parts, replacement of refrigerant or filters, any other service calls/repairs.

The warranty does not apply if:

- Unit has been subject to accident, alteration, improper repair, neglect or misuse
- Performance has been impaired by use of any product not authorized by Heat Controller
- Serial numbers have been altered or removed
- Damage results from improper voltages, use during brown-out conditions, circuit interruptions or inadequate power supply
- Damage or failure is due to interrupted or inadequate water supply
- Air flow has been restricted
- Unit has been moved from the original residence or is not owned by the original owner
- Unit was purchased over the internet

## DURATION OF WARRANTY/REGISTRATION

The warranty begins on the date of purchase by the original consumer. The consumer must complete and return the warranty registration card or register at [www.heatcontroller.com](http://www.heatcontroller.com) within 90 days or purchase, and provide a receipted bill of sale as proof of warranty period. Without this proof, the warranty begins on date of shipment from the factory and reverts to a six-year warranty.

1. There are no other express or implied warranties. Heat Controller makes no warranty of merchantability. We do not warrant that the unit is suitable for any particular purpose or can be used in buildings or rooms of any particular size or condition except as specifically provided in this document. There are no other warranties, express or implied, which extend beyond the description in this document.
2. All warranties implied by law are limited in duration to the five-year term of the warranty. Your exclusive remedy is limited to the replacement of defective parts or compressor. **We will not be liable for any damages caused by any defect in this unit.**  
Some states do not allow limitation on how long an implied warranty lasts or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusions may not apply to you.
3. No warranties are made for units sold outside the continental United States and Canada. Your distributor or final seller may provide a warranty on units sold outside these areas.
4. We will not be liable for delays caused by events beyond our control including accident, alternation, abuse, war, government restrictions, strikes, fire, flood, or other acts of God.
5. The sole remedy is replacement of the defective part. If replacement parts are required within the period of this warranty, Heat Controller, Inc., replacement parts shall be used; any warranty on the replacement part(s) shall not affect the original unit warranty. Ready access to the unit for service is the owner's responsibility.

## HOW TO OBTAIN WARRANTY SERVICE OR PARTS

If you have a warranty claim, notify your installer promptly. If he doesn't take care of your claim, write to Heat Controller, P.O. Box 1089, Jackson MI 49204. Enclose a report of inspection by your installer or service person. Include model number, serial number, and date of purchase.

**Owner responsibilities are set forth in the instruction manual—read it carefully.**
