

## TERMINATION KITS

### N-Vent Horizontal Vent Kit VK4-H-\*

#### Specifications & Features:

Stainless Steel  
4" Diameter  
Flexibility based on Wall Thickness  
Easy Installation  
Professional Appearance

#### Horizontal Kit Contains:

Description	Part Number	Quantity
Wall Thimble With Built-in Hood Termination	<b>WT4-H-#</b> (# Based on wall thickness)	1
90 Degree Flow	VP4-90ELB	1
9' - 13.4" Adjustable Vent	VP4-13.4ADJ	1
MSRP: \$158.00 US		

#### Part Number Based on Wall Thickness as Follows:

Wall Thickness	*Venting Kit Number
5" - 6"	VK4-H-5
6" - 7"	VK4-H-6
7" - 8"	VK4-H-7
8" - 10.3"	VK4-H-10
10.5" - 14.5"	VK4-H-14

### N-Vent Vertical Vent Kit VK4-V

#### Specifications & Features:

Stainless Steel  
4" Diameter  
Easy Installation  
Professional Appearance

#### Horizontal Kit Contains:

Description	Part Number	Quantity
Drain Tee	DT4	1
90 Degree Elbow	VP4-90ELB	2
Firestop	FS4	1
Support Clamp	SC4	1
Roof Jack	RJ4	1
Storm Collar Pipe	SCP4	1
Rain Cap	RC4	1
9' - 13.4" Adjustable Vent	VP4 - 13.4ADJ	1
MSRP: \$225.00 US		

Components included in the Termination Kits are shown in bold and listed in the charts.

Note: Additional venting components will be needed to complete most venting runs.

## NORITZ STAINLESS STEEL VENTING: THE N-VENT LINE

Noritz offers Category III venting that is required by code for tankless water heater installations. UL-listed in the U.S., our venting can be used for residential or commercial applications. A better value than others, the N-Vent line boasts unique features and a wide selection at a lower cost.

### Easy Connection:

Noritz supplies easy-to-connect components – the most simple in the industry to install. Unlike other brands, there's no need to tighten them as the Noritz N-Vent has a Quick-Snap feature that allows for an easy connection while forming a tight seal.

### Superior Design:

The Noritz N-Vent line is designed with smooth edges to reduce friction on elbow joints and elegant terminations to create a more aesthetically-pleasing appearance. There are multiple lengths and adjustable pieces to choose from and all are constructed with anti-corrosive material made for high temperature applications. In fact, they're manufactured of the same material used in tail pipes for Nissan automobiles and motorcycle parts for Honda.

### Unique Gasket - Tight Seal

Unique gasket will not tear, always forming a tight seal.

### Easy Connection

Superior design allows for an easy, professional installation.

### Quick-Snap

Quick-Snap allows for easy connection - no clamps or ties.

### Adjustable Venting

Adjustable venting offers flexibility for different length vent runs.
