

This water heater qualifies for Federal Energy Efficiency Tax Credit when placed in service between February 17, 2009 and December 31, 2011.

Certificate of Product Performance

Residential Water Heaters

Certified Reference Number: 2112669 **Date Generated:** 2/14/2011 **Status:** Active

Trade Name: R94-LSE

This certificate serves as verification that the model cited below has been rated in accordance with applicable federal testing methods and verified by AHRI as capable of achieving the energy efficiency and performance ratings as tested within prescribed tolerances. This

certificate and these certified ratings ONLY apply to the specific model detailed below and are non-transferable to alternate models or configurations.

Manufacturer: RINNAI CORPORATION
Model Number: (R94LSE) REU-VA2535WD-UC-P
Energy Factor: 0.82
Max GPM: 4.3 Gallons per minute

The following data is for reference only and is not certified by AHRI:

Energy Source: Propane Gas
Water Heater Type: Instantaneous
Rated Storage Volume: 0 Gals
Input: 199.0 MBtuh
Recovery Efficiency: 83 %

FootNote 26 - Outdoor

A * following a rating indicates a voluntary rerate of previously published data, unless accompanied with a WAS which indicates an involuntary rerate.

Certified ratings for ARI, GAMA, and I=B=R certification programs are valid only for models and configurations listed in the AHRI Directory of Certified Product Performance located at www.ahridirectory.org. The information for the model cited on this certificate can be located in the online directory by using the reference number on the certificate. AHRI does not endorse

the product(s) listed in this certificate and makes no representations, warranties or guarantees and assumes no responsibility for the product(s) listed in the certificate. AHRI expressly disclaims all liability for damages of any kind arising out of the use or performance of the product(s) or the unauthorized alteration of the data listed in this Certificate.
