

# Vent-Free Gas Wall Heaters

## Infrared

**25,000 and 30,000 Btu/hr.**

Infrared Heaters provide direct radiant heat. Ceramic plaques behind the grille gives this heater its' warm glow.

**6,000 and 10,000 Btu/hr.**

Two attractive, inexpensive solutions for assured, on-command home heating!

Power heating in a compact package!

Get quick efficient warmth, without the need for venting or electricity. Relax in comfort created by these 99.9% efficient heaters with low-fuel consumption and quiet operation.

For additional money-saving efficiency, install one of our optional blowers.

## Design Features

- ✓ Economical: 99.9% efficient
- ✓ No outside duct or chimney needed!
- ✓ Space saving design without sacrificing beauty
- ✓ Available in natural gas, L.P.G. models or selected models equipped with "Fuel Exchange System"\*
- ✓ O.D.S. (Oxygen Depletion Sensor) with automatic shut-off
- ✓ No electricity required
- ✓ Operational controls available in Manual style (1 to 3 Heat Settings) or Automatic Thermostatic style (Variable Heat Settings)
- ✓ Push button "Matchless" igniter

\* The Fuel Exchange System permits conversion from Propane to Natural gas or Natural to Propane Gas without a gas conversion kit.

## Blue-Flame

**30,000 Btu/hr.**

Blue-Flame Heaters distribute heat evenly throughout your room. This heater's cheerful blue-flame is visible from behind the safety glass.

**10,000 and 20,000 Btu/hr.**

## Important

- Read owner's manual before using/installing.
- Not for use in recreational vehicles.
- Photographs are representative only.
- Check local codes and ordinances for permitted uses.
- Consult installation manual for clearances prior to installation.
- We reserve the right to amend product specifications without notice.
- Installation and servicing recommended by a qualified service person.
- Use with adequate air (ventilation) only. Refer to owner's manual for details.
- Operating heater at elevations above 4,500 feet could result in nuisance outages.
- Specify propane or natural gas when ordering. Models designated for use with dedicated natural or propane gas are not intended for conversion between fuel types.
- Please read the warranty for any limitations or disclaimers. All parts carry a one-year limited warranty
